To help us make credit decisions about you, to prevent fraud, to check your identity, to prevent money laundering and to administer your application and account, we may search the files of credit reference agencies which will record any credit searches on your file (whether or not your application is successful). We may also disclose details of how you conduct your account to such agencies. This information may be used by other credit grantors for making credit decisions about you and the people with whom you are financially associated, for fraud prevention, money laundering prevention and for tracing debtors. **The right to decline any applicant is reserved. Loans are subject to status.**
